Hi Dave,

I know you've been wanting to talk to me about the RSG Roofing bank and how that interplays with the Arkema Project Area. Do you have time to touch base on this today or this week sometime? If today, I have time between 9 and 11 am or anytime after our RPAC meeting. I got a call from Ken Thiessen on this on Friday (I was at a conference all last week) and thought I'd get in touch with you before calling him back.

Thank you,

Madi
